

# Service Warranty Certificate

This certificate is awarded to

## **RHR Home Repairs and Improvement Clients**

This warranty begins at the time your service is complete and is valid 1 year from the date of service. This warranty does not require parts replacements. If you have a service issue please contact our office immediately to schedule a service visit. The warranty is annulled if another contractor alters our work. The warranty does not apply to damage caused by abuse, accident, neglect or other abnormal conditions beyond the company's control. This warranty is void on any part which the service date has been tampered with or changed from company records. RHR makes no other warranties, express or implied and its agents or technicians are not authorized to make any such warranties on behalf of RHR

Thank You for choosing RHR Home Repairs and Improvements for your Handyman and Repair needs. The staff here at RHR has worked hard to produce the highest quality service for your satisfaction
